Brewing support for the community.

Annual Report Summary 2009 - 2010

The Coopers Brewery Foundation aims to improve and protect the quality of life of Australians, by providing support to charitable organisations with recognised strengths in medical research and health care, in youth education and aged care, and in fostering family and community support based on Christian values.

Welcome to the fourth annual report of the Coopers Brewery Foundation, covering the 2009 - 2010 year.

The Foundation continues to play a vital role in providing an appropriate channel for Coopers to support the community through charitable means.

Since the Foundation's inception, I am very proud to announce that we have been able to distribute \$913,116 to 66 worthy Australian charities. With the activities we have planned over the coming months, we look forward to celebrating the milestone of \$1 million in charitable funding by the year's end.

For this past financial year, it was very pleasing to see another increase in the Foundation's distribution of funds, to \$399,749. This increase was greatly aided by the Foundation's second annual charity golf day, which was held once again in May at the Kooyonga Golf Club. The day was immensely successful, raising in excess of \$73,000 for the Legacy Club of Adelaide's 'Youth Life Development' program. I wish to personally thank all the companies and individuals involved who so generously contributed to make this day such a memorable and worthwhile event.

In addition to Legacy, a further 22 charitable organisations were beneficiaries of Foundation funds this financial year. It has been rewarding to see the outcomes achieved by financially supporting these organisations and assisting them with the difficult challenges they face every day.

The Foundation is privileged to have a strong donor and supporter income base. In response, the Foundation Governors made the decision earlier in the year to establish the 'Friend of the Foundation' donor recognition program. This program will enable us to personally acknowledge and thank our donors and supporters for their generous contribution.

I wish to thank the Board of Governors once again for their support, time and commitment in helping to ensure the Foundation continues to remain effective and relevant to charities and supporters alike.

The Foundation's expenses have continued to be paid by Coopers Brewery Limited, ensuring that all net income received from brewery and museum tour fees, fundraising activities and public donations, is distributed directly to Australian charities.

It is a great personal pleasure to be involved with the activities of the Foundation and the outcomes it achieves. Along with our fellow Friends of the Foundation, I look forward to expanding our membership and thereby contributing to our mission of helping to improve and protect the lives of Australians.

2nd Annual Coopers Brewery Foundation Golf Day

Over 120 local and interstate guests joined Tim and Glenn Cooper at Kooyonga Golf Club on May 7th, to raise money for the Legacy Club of Adelaide's 'Legacy Youth Life Development' program. The day surpassed all expectations, with net proceeds raised in excess of \$73,000.

"The event really gained momentum this year, and teams sold out quickly. With everyone's generous involvement, it enabled all participants to have a fun day and make a huge difference to the lives of the children who survive our Australian soldiers who don't make it home."

Dr Tim Cooper AM

Congratulations to the Air Liquide team, captained by James O'Conner, for playing a great round and winning on the day. With everyone being treated to Coopers' traditional hospitality, everyone went home with a smile after a thoroughly memorable day.

We extend our heartfelt thanks again to our numerous sponsors and volunteers who contributed to the day's activities and success, acknowledged in our Founding Friends supporter list.
